AFFIDAVIT

I, Bob Bassett, retiree, of Leith, Ontario, AFFIRM THAT:

1. I am the operator of *togethertothetop.com*, a website focusing on helping people be successful with network marketing. As such, I have personal knowledge of the facts and matters deposed to in this affidavit except where I state them to be made on information and belief, and as to those facts and matters, I believe them to be true.

BACKGROUND

2. On March 21, 2010, Alan Kippax hosted a conference call announcing at Business in Motion was being put "on hold." I attended the entirety of that conference call.

3. A recording of that call was made by Dave Thornton. Mr. Thornton provided a digital copy of that recording to me, which I believe is an accurate recording of the

conference call I attended. I posted the recording on my website, where it can be accessed at: <http://togethertothetop.info/audios/20100321KippaxDT.mp3>

4. My wife and I transcribed much of the recording. I posted that transcript to my website. The portion of the transcript containing Mr. Kippax's opening remarks during the conference call is attached as **Exhibit "A"** to this affidavit. It can also be downloaded at: <http://togethertothetop.com/wp-content/uploads/2010/03/20100321KippaxConfCall.doc>

5. Following the conference call, on March 24, 2010, Business in Motion issued a brief statement to its distributors. A copy of that statement is attached as **Exhibit "B"**.

PURPOSE

6. I make this affidavit in support of default judgment against BIM and for no improper purpose.
